

# Basilica School of Saint Paul

## Notice of Behavioral Expectations

Dear Parents/Guardians,

At the Basilica School of St. Paul, our mission statement is “ Inspired by St. Paul, and rooted in our Catholic faith, we seek to know, love, serve Jesus Christ, through academic excellence, and our persistence in serving his people.” Our foundational understanding is that we were made by God in his likeness and image. Our God loves and understands us, and we are all called to serve others. Actions and choices we make define who we are and who we want to become. Our Dominican heritage focused on four pillars: Prayer, Study, Community and Service. Therefore in our school, students are challenged to pray, study, build community, and serve. A pillar is a supporting, integral member or part of a community and our society. Therefore it is essential that the faculty, as well as students and their families are a pillar when it comes to supporting and embracing our mission.

Students who attend the Basilica School of St. Paul must demonstrate a willingness to create and support a culture of love and respect. **Dealing with chronic misbehavior that contradicts “Christ-like” behavior, is directly opposed to our mission and community. At Basilica School of St. Paul we are committed to serving all students, however we do not have the resources or staff to accommodate behaviorally challenged students. Therefore, failure to adhere to the school’s behavioral expectations while embracing our mission, may result in a student’s dismissal from our school.**
