

# Basilica School of Saint Paul

Dear Basilica School of St. Paul Parents/ Guardians,

Because the safety of our students is our top priority, we would like the parent of every child who walks, rides a bike, or takes public transportation home to complete this form below, sign it, and return it to school. This form will remain in your child's file, and it allows your child to walk or ride a bike home without adult supervision.

Please note, students in grades K-5th will not be allowed to leave school campus without a parent approved older sibling or adult.

Sincerely,

Susan Pickles  
Principal

Please return this form to the school office to give permission for your child to walk or take public transportation home.

To walk, ride a bike, or take public transportation home from Basilica School of St. Paul. I understand that in granting permission, the BSSP administration and/or my child's teacher is authorized to release my child from the Basilica School of St. Paul. I also understand that my child must leave the school property at dismissal time and will not be allowed to remain on school property unless they are registered in an after-school program and have checked in with the supervising adult/s for that specific after school activity.

If my plans change and my child needs to follow a different school dismissal arrangement, I will contact the school office with instructions for my child.
